ACTION REQUIRED - REFERENCES					
<p>Action: See para 3 25X1A6a</p> <p>Reference: [REDACTED]</p> <p style="text-align: right;">25X1A6a</p>					
<p>25X1X7 Reference indicates that the [REDACTED] has passed to the [REDACTED] a document entitled "Sino-Soviet Bloc Economic Activities in Underdeveloped Areas January 1 - June 30, 1962." This was a sanitized version of EIC R14-S13, dated 31 August 1962.</p> <p style="text-align: right;">25X1X7</p>					
<p>25X1X7 The [REDACTED] representative in his weekly seminars with the [REDACTED] is not drawn from the non-sanitized version of this publication, nor from the bi-weekly publication of the same title, because of its restriction against foreign dissemination. He feels that there have been times when reference to the data in this publication would have been helpful in presenting a more complete picture of Sino-Soviet efforts to undermine Western and U.S. influence in this part of the world, and in encouraging the [REDACTED] to make a greater contribution toward countering those efforts.</p> <p style="text-align: right;">25X1X7</p>					
<p>3. [REDACTED] therefore requests the following:</p> <p>a. That we be authorized to utilize data contained in the non-sanitized version of EIC R14-S13 in our liaison with the [REDACTED] without reference to sources.</p> <p>b. That we be authorized to extract for passage to liaison items from the "Bi-Weekly Report" which are not marked "NO FOREIGN DISSEM" and which we feel would be in the best interests of [REDACTED]</p> <p style="text-align: right;">25X1A</p>					
<p>Distribution: 2 - C/25X1A2g 1 - C/ [REDACTED]</p> <p>copy of original R14-S13 given to S/SA [REDACTED] 6 Nov 63</p> <p style="text-align: right;">25X1A2e</p> <p>[REDACTED]</p>
